ABOUT MYSELF

Skilled web designer and developer with a passion for creating visually appealing and highly functional websites. With a strong background in WordPress development, I have a proven track record of turning client visions into reality. Adept at collaborating with cross-functional teams to deliver high-quality web solutions. Seeking to contribute creative expertise and technical skills to elevate online experiences.

EXPERIENCE

AFFINITY EXPRESS INC.

ASSOCIATE WEB DESIGNER   2021 - Present

- Creation of exceptional web products based on client's requirements and specifications that will fully serve the needs of the customer through smart design, complete content, and functional features.
- Design and develop websites using agreed-upon CMS platforms, tag libraries, coding standards, and validation tests.
- Ensure that websites are responsive and mobile-friendly. Providing an optimal user experience across various devices.
- Maintain and update existing websites, implementing revisions based on client instructions and specification. This includes content updates, bug fixes, and performance enhancement.
- Identifies issues and develops solutions designed to meet specifications defined by the client.

GC WEB EXPRESS

WEB DEVELOPER   2021

- Develop websites using WordPress, WP Bakery, and ensuring to meet current industry standards and align with the client's specification.
